

What is Design?

Design can be...

Symbolic/Iconographic

Graphic

THE

LIGHTS

WANT

EVERYTHING

The word "EVERYTHING" is rendered in a bold, italicized, sans-serif font with a double-line outline. The text is centered and surrounded by a complex, overlapping pattern of geometric shapes, primarily triangles and polygons, in shades of cyan and magenta. The overall effect is that of a glowing, crystalline or digital structure against a solid black background.
